Gainey Ceramics carries an inventory of selected sizes and colors for your quick ship needs. Ceramic stocked colors are identified in bold print. Quick ship items will ship within 5 working days. All other ceramic items under 20" are subject to a 10 working day lead time. All ceramic planters are available without glaze and are available at a 20% discount. Please contact your customer service representative for availability in fiberglass.

Actual ceramic and fiberglass sample chips are available upon request. Colors are represented as accurately as possible. Photographic procedures may alter the hues and textures. Shape, texture and color variations are inherent characteristics of all ceramic planters and fiberglass containers. Planters/containers received may differ from sample chip and/or sample planter/container submitted. Gainey Ceramics assumes no risk for damage incurred in transit. All items are shipped at purchaser's risk. Common Carriers are responsible to consignee for loss or damage and all claims must be filed with carrier. Gainey Ceramics will replace any of its products which are proven to be defective for one year from date of purchase. Gainey Ceramics warranty becomes null and void if any of our items are direct planted. Thank you for choosing Gainey Ceramics.
